

How do I acknowledge the use of NASA computing resources in my publication?

When you publish your research based on the use of NAS-provided high-end computing resources, please include language in your acknowledgments similar to the following example:

Resources supporting this work were provided by the NASA High-End Computing (HEC) Program through the NASA Advanced Supercomputing (NAS) Division at Ames Research Center.

For information on reporting requirements for the Science Mission Directorate (SMD) and examples of acknowledgments for the use of other NASA computing resources, please see the [High-End Computing Program's guide](#).
